FITNESS CERTIFICATE

To be filed by the Inspecting Officer (Asst. Engineer)
(Re: G.O. Ms. 20/70/ PWD Dt. 23 - 01 -1970)

ANNEXURE - B

1. Name of Officer : Indushree I.B
2. Name of School : Isabella De Rosis Public School
3. Location with name of Ednl Distr : Chirakkakam (Thevarkad) , Aluva Educational District
4. Classification of buildings : Permanent

K G Block

Ground Floor -3 x 8.00 x 6.00 x 3.00 m R.C.C Roof - 3 Class rooms

2 x 6.00 x 6.00 x 3.00 m R.C.C Roof - 2 Class rooms

First Floor -3 x 8.00 x 6.00 x 3.00 m R.C.C Roof - 3 Class rooms

2 x 6.00 x 6.00 x 3.00 m R.C.C Roof - 2 Class rooms

Second Floor -3 x 8.00 x 6.00 x 3.00 m R.C.C Roof - 3 Class rooms

2 x 6.00 x 6.00 x 3.00 m R.C.C Roof - 2 Class rooms

5. Period for which the certificate is issued : 2026-27 Academic Year

6. Nature of defects if any,

a)Foundation and basement :

b) Superstructure :

c) Door windows : Nil

d) Wood work wrought and put up :

e) Roof

f) Flooring :

g) Miscellaneous :

7. Any major defects noticed which will

   Render the building unsafe in any manner : No major defect noticed

8. Whether maintenance work have been

   done properly : Yes

9. Whether the structure is sound or not for

   conducting classes : Yes, the structure is sound for conducting classes under normal wind and weather conditions

Note:

1. The stability of the structure should be examined also with reference with the altitude , intensity of wind exposure to flood etc.
2. Any additional observation if deemed necessary for the certificate may be furnished separately with the certificate

Additional Conditions:-

1. This certificate is only applicable to the structural stability and civil safety of school buildings/classrooms covered under this. The provisions contained in Circular No. GEDN-M1/188/2025-G.EDN dated 13.05.2026 and Clarification No. GEDN-M1/188/2025-G.EDN dated 25.05.2026, as amended from time to time, shall be strictly complied with by the School Authority. Separate certificates, approvals, or clearances from the competent authorities, wherever required, shall be obtained and maintained by the institution.

2. The School Authority shall ensure that all classrooms, offices and other spaces used by students and staff are maintained in a clean, hygienic and safe condition at all times.

3. The School Authority shall ensure periodic inspection, maintenance and upkeep of the school premises. Bushes, weeds, and overgrown vegetation shall be cleared regularly to prevent the presence of reptiles, insects and other harmful creatures. The School Safety Monitoring Committee as per Government instructions shall conduct regular inspections and ensure compliance with all safety measures, guidelines and directions issued by the Government and competent authorities from time to time.

4. Any tree, branch, structure or other object that may pose a risk to the safety of students, staff, or visitors shall be identified and removed, trimmed or otherwise secured without delay.

5. Wells, water tanks, drains, pits and similar facilities within the school premises shall be adequately protected and maintained in a safe condition. Protective covers, grills or nets provided for safety purposes shall be kept intact and serviceable at all times.

6. In the event of any structural distress, damage, leakage, cracks, settlement, deteriorationor other defects arising due to ageing, weather conditions, natural calamities or any other cause, the affected portion of the building shall not be used until the necessary repairs and safety assessments have been completed by competent technical personnel.

7. Roofs covered with tiles, sheets or similar materials shall be inspected periodically, particularly during the rainy season and any defects or deficiencies detected shall be rectified promptly.

8. Kitchens, laboratories, storage areas and other special-purpose facilities shall be maintained separately and safely in accordance with the applicable rules and standards. Fire extinguishers and other emergency safety equipment shall be provided and maintained in readily accessible locations.

9. All doors, windows, staircases, handrails, gates and other building components shall be maintained in sound and serviceable condition to ensure the safe use of the building.

10. This certificate does not cover the safety of electrical installations, playground equipment,furniture or any other facilitiesthat have not been specifically examined as part of the structural inspection.

11. Any new construction, addition, alteration, demolition work proposed within the school premises shall be undertaken only after obtaining the necessary approvals and permits from the Local Self Government Institution and other competent authorities. Adequate safety precautions, including barricading, warning signage, restricted access and supervision shall be ensured during the execution of such works.

12. The School Authority shall strictly comply with all the above conditions and shall ensure the continued safety of students, staff and visitors. Any deficiency observed during subsequent inspections shall be rectified forthwith. Failure to comply with these conditions may result in the withdrawal or cancellation of this Fitness Certificate and such other action as may be deemed necessary by the competent authority.

CERTIFICATE

Certified that the school was inspected by me on 29-05-2026 and found to be fit to conduct classes under normal weather condition for the period up to 31st March 2027 for the reason stated above.
